

Plan for Integrating Assessment with Teaching and Learning Excellence: A Proactive Model

How can I initiate/promote/enhance the integration of assessment with curriculum and instruction to proactively maximize student learning?

Policies/practices related to ...	Do current structures support or impede?	What change(s) is/are needed?	Is change within my authority?	Whose help/ support/ sponsorship do I need?
Course-level assessment				
Discipline/department-level assessment				
Co-curricular assessment				
Faculty workload				
Faculty reward systems (P&T, compensation)				
Faculty resources for innovation				
Cross-departmental collaboration
