

Biographical Sketch

Kirk Weller is entering his 11th year as Mathematics Department Head at Ferris State University. From 2014-16, in addition to his departmental duties, Weller was the Interim Associate Provost for Academic Operations. Prior to Ferris, Weller held positions at Bethel College (IN), University of North Texas, and University of Michigan Flint. While at Bethel, Weller chaired the Division of Mathematics and Computer Science. Weller's primary scholarly interests are in collegiate mathematics education. In that context, his current focus is developmental education.
